

REMARKS

Reconsideration and further examination is respectfully requested.

Applicants amend the claims to more particularly point out and distinctly claim the relationship between the funnel panels and the support panels.

Applicants have amended one claim to correct a typographical error in the dependency and have added two claims previously rejected in office actions dated February 24, 2005 and August 8, 2005.

Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Daniel A. Rosenberg, Applicants' Attorney at 515-288-2500 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,
